

*Alaska's*  
**RAINBOW BAY RESORTS**

Bristol Bay Fly-Out Fishing Adventures

*"One of the top 25 Fishing Lodges in North America"*  
Field & Stream Magazine

Built in 1984 & operated for 30 years by Jerry & Karen Pippen, Rainbow Bay Resort provided upscale accommodations on the shores of Lake Iliamna as well as the finest remote fly-out fishing in southwest Alaska's famous Bristol Bay region. The lodge was purchased in 2013 by a group of investors who are committed to continuing and expanding the high quality of fishing opportunities, accommodations and services Rainbow Bay's clients have enjoyed over the years. To date, the new owners have added a De Haviland Beaver to our fleet of aircraft, upgraded much of the equipment, and opened our new 6,000 sq ft Eagle's Peak Lodge for 2015. Come enjoy the finest fishing, accommodations and services southwest Alaska has to offer with Rainbow Bay Resorts LLC.

## **RAINBOW BAY RESORT**

Our original lodge, the famous Rainbow Bay Resort, can accommodate 12 - 14 guests/week in 6 private staterooms featuring queen beds and private bathrooms with shower. Enjoy the homey atmosphere of our original lodge.

## **EAGLE'S PEAK LODGE**

Eagle's Peak Lodge accommodates exclusive groups of up to 8 guests/week in 4 private bedrooms featuring queen beds and private bathrooms with showers. Enjoy the beautiful view from our wrap around deck.

## Rainbow Bay Resorts

offers fishing for all 5 species of Pacific Salmon that spawn in the freshwater streams of the Bristol Bay and Cook Inlet Drainages. Depending upon the time of year you can catch from one to four species of salmon in a given week.

## *Alaska's Greatest Sportfishing*

You will fish the Iliamna/Bristol Bay drainages of Southwest Alaska. This area is, beyond a doubt, the premier Rainbow fishing area of Alaska. Rainbows ranging up to 12 pounds are common. Bristol Bay is also the spawning grounds of all 5 species of Pacific Salmon as well as Arctic Char, Arctic Grayling and Northern Pike. RBR is located only 15 miles from the Halibut rich salt waters of Lower Cook Inlet where we regularly catch Halibut in excess of 100 pounds.

### **Rainbow**

The majority of our fishing is stream fishing and is accomplished by wading. A typical week of fishing at RBR will offer fishing for a variety of species. You will have the discretion to choose the majority of your daily fishing destinations that are available during your stay. Whether you are an accomplished fly fisherman or a beginning spin fisherman, we have the trip for you.

### **Pike**

### **Grayling**

## **Fishing Availability Calendar**

| FISH     | JUNE    | JULY    | AUG     | SEPT    |
|----------|---------|---------|---------|---------|
|          | 1 2 3 4 | 1 2 3 4 | 1 2 3 4 | 1 2 3 4 |
| Rainbow  |         |         |         |         |
| Grayling |         |         |         |         |
| Char     |         |         |         |         |
| Pike     |         |         |         |         |
| Halibut  |         |         |         |         |
| King     |         |         |         |         |
| Sockeye  |         |         |         |         |
| Pink     |         |         |         |         |
| Chum     |         |         |         |         |
| Silver   |         |         |         |         |

*The dates in this chart are a rough estimate of times different species of fish are in streams and available to the fisherman. Weather conditions & water levels can effect when Salmon enter the streams from the Ocean.*

### **Char**

We use float planes as well as wheeled bush planes to reach the remote streams of Bristol Bay and the fresh water streams flowing into lower Cook Inlet.

We have numerous jet outboard-equipped river boats on streams throughout Bristol Bay that allow us to fly in and fish the most productive streams and rivers available.

The guides at Rainbow Bay Lodge pride themselves on their preparation of shore lunches. Several times a week, where locations permit, you will be treated to a shore lunch prepared at your fishing location by our staff. Prepare to be pampered.

## Travel

Rainbow Bay Lodge is located 180 miles from the nearest road and is southwest of Anchorage. You will fly out from Anchorage mid-day Saturday on a charter flight and you will return to Anchorage the following Saturday morning. Our experienced travel staff will be available to assist you with your travel plans.

### RAINBOW BAY RESORT

Just 20 miles from the lodge is the lower Cook Inlet if you wish to spend a day Halibut fishing. We catch Halibut up to 150 lbs in as little as 20 – 60 ft of water for a true Alaska salt water fishing experience.

Southwest Alaska offers a variety of photo opportunities including Brown Bears, Black Bears, Moose, Bald Eagles, fresh water Seals & landscapes like no other.

The numbers of Salmon in the freshwater streams we fish will amaze you!
